

Fisheries Enhancement & Aquaculture Association

-= Membership application =-

Please fill in the following information keeping in mind this organization is in development. Who becomes involved and what the interests are WILL affect how this develops.

The intent is to gather a group that, while diverse, truly has the best interests of all avenues in mind. The theme is to have the organization SERVE its membership.

Updated information will be posted on Ontarioaquaculture.net with due diligence.

As a starting point membership is divided into 4 options:

Single Member with voting privileges..... \$ 100.00 per year
Sponsor Members with no voting privileges \$300.00 per year
Single Associate with no voting privileges..... \$ 50.00 per year
Single Student with no voting privileges \$ 25.00 per year

If this needs to change, voting members will set the rules when the association constitution is adopted.
